Masjid E Tauheedul Islam

**Instructions for listening to the 'Masjid-e-Tauheedul Islam'
Live Audio Stream**

For PC & Mac

This is a simple process if you are using a PC/Mac – Enter the following address into your web browser: http://www.myradiostream.com/masjidetauheedul and you'll be taken to the page as shown below:

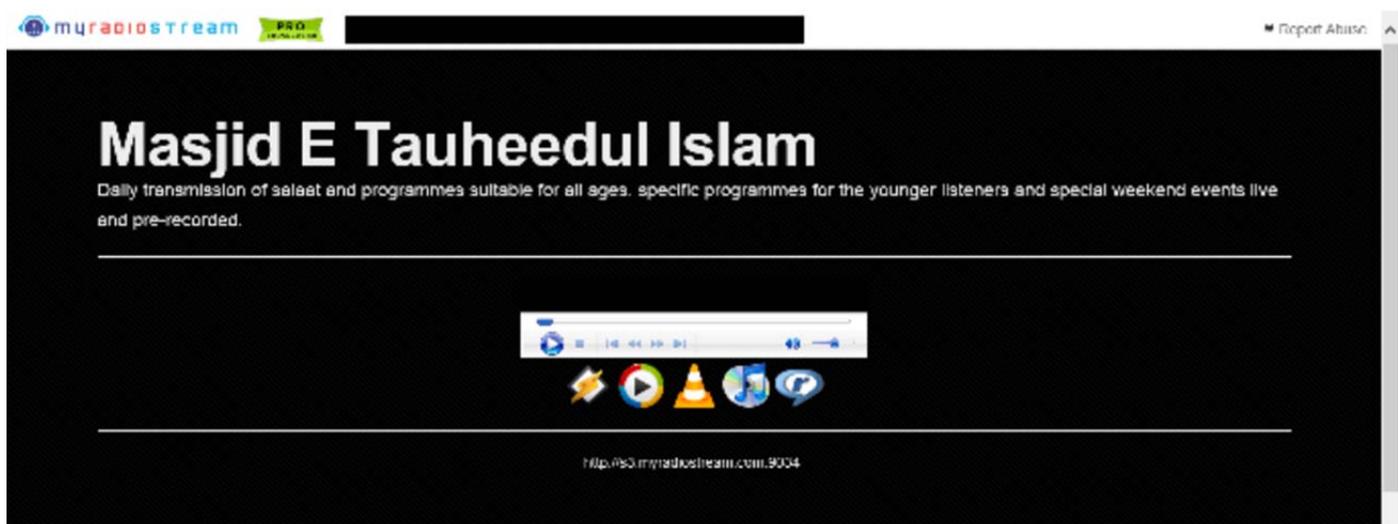

From the 5 icons shown choose the player of preference which is installed on your PC/Mac and the stream will start to play.

iOS Device (iPhone/iPad)

For an iOS device, open the Safari browser and enter the following address:

http://www.myradiostream.com/masjidetauheedul

You'll then be presented with the following page:
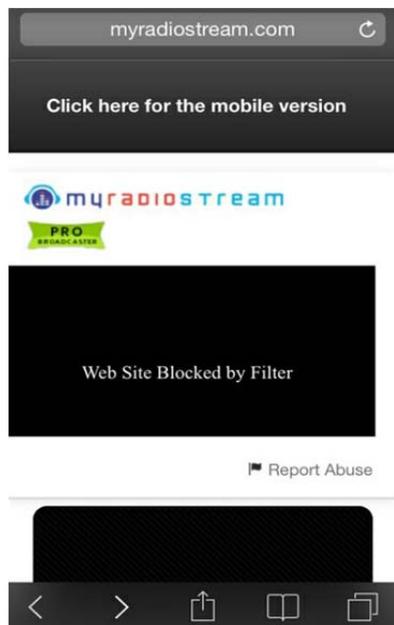

Select the option:

'Click here for mobile version'.

You will be directed to the following page which will be the player (See below)
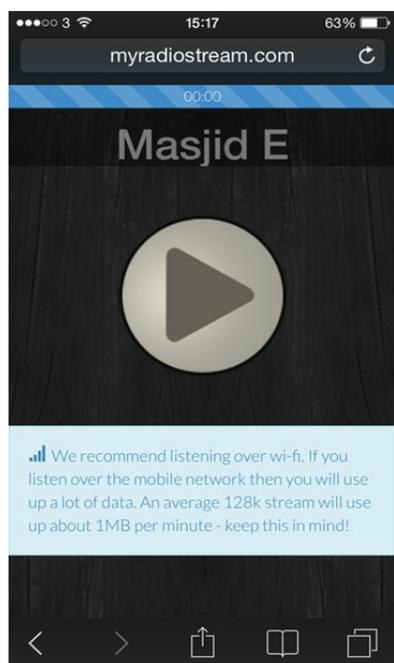

The mobile player is as shown on the left.

You can (for ease of access) simply add a shortcut of the mobile player to your home screen.

Andriod Devices

From the Google Play Store download the app 'XiiaLive' -
https://play.google.com/store/apps/details?id=com.android.DroidLiveLite
The app is free to download but it includes adverts, however a paid
version (with no adverts) is also available.

1) Open the App and
select 'Favourites'
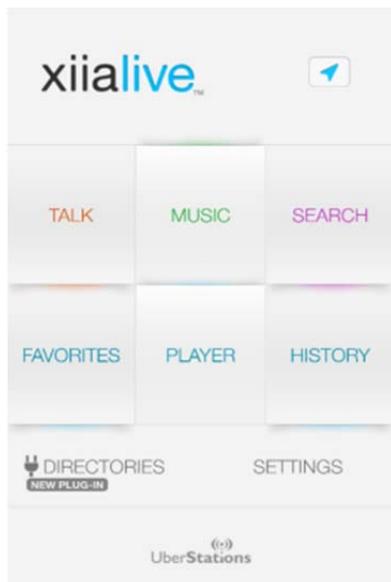

2) From the 'Favourites' screen
click 'Add URL'
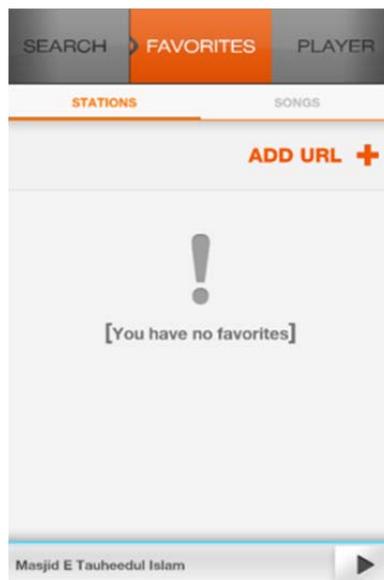

In the 'Add URL' area, enter
the following:
http://s3.myradiostream.com:9034
Then click 'Next'
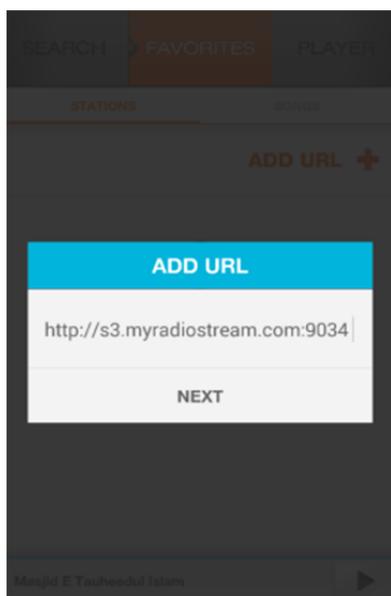

Finally click 'Save'
Note: For ease of accessing the live stream
you can add the XiiaLive App widget to your
home screen.
