

C/o Masjid e Tauheedul Islam, Bicknell St, Blackburn.

Friday 20th March 2020

السَّلامُ عَلَيْكُمْ

We hope you find this letter in the best of health and Imaan

Following the Government update regarding the closure of schools, the Management Committee have taken the difficult decision to close the Madrassa from Monday 23rd March 2020 with Friday 20th March being the last day of Madrassa.

We will be communicating with all parents to provide a revision timetable on the masjid website so that the impact on all students' studies is minimal.

Please check the website every Monday for the week's class work.

The Prophet SAW said, 'Do not make your homes into graveyards' (Sahih Muslim).

Therefore, we urge all parents to regularly go through the dhor sabak with their children and ensure that our homes are filled with teaching & learning during these testing times.

We as Muslims believe this virus to be a test from the Almighty SW.

We humbly request you remember us, the Masjid, the Madrasah and the entire ummah during these times in your prayers and the prayers of your children, for surely, the duas of our children are guaranteed to be accepted.

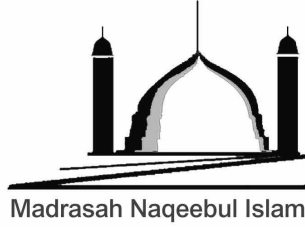

Allah grant everyone good health and keep everyone safe from all forms of ill health and difficulties and keep us all steadfast on Deen, Ameen.

We appreciate your understanding, support and patience.

Shukran
